Dear David Cole,

I loved the beautiful  
colourful dade envelope snigrip in my  
mail-box - together with an invitation for  
the "Scroli unrolls" - Thank you!

There are many proba-  
bilities I should be in Israel right  
during the show.

We might maybe  
meet them? Or would it be better  
under the rainbow?

A joyous smile & a hello,

Betty Hanson
